~ Rules and Regulations ~

1. All flying shall be conducted in accordance with the Canadian Aviation Regulations (CARs).
2. All members/students and instructors shall operate all aircraft in accordance with the Pilot Operating Handbook (POH).
3. All members/students and instructors shall follow the Freedom Air Services & Training Ltd. Weather Minimums.
4. No Freedom Air aircraft will be landed at a non-certified airport except in an emergency.
5. Unless for understandable reason, cancellations made by any member/student shall be made at least 24 hours prior to the current booking to allow time to reschedule and fill the time slot. With failure to do so, the member will be charged a 1 hour instructor rate no show fee.
6. If the member/student is over 15 minutes late for their booking and a cancellation has not been made, a "no-show" fee of 1 hour instructor time will be charged to the students account and the aircraft will be re-assigned.
7. No person shall enter or exit an aircraft with the engine running.
8. An initial Proficiency Check will be required (Ground Brief and Flight Time with an Instructor) for all new members/students wishing to rent aircraft.
9. If a member has not flown a Freedom aircraft for 60 days, a re-currency check on the aircraft will be required.
10. If there are any violations of Transport Canada Regulations the Pilot in Command will be held responsible
11. The Chief Flight Instructor has the authority to check the proficiency of any student, pilot, or instructor
12. All International Students will be required to complete the Letter of Acceptance form.

~ Payment ~

1. 10% of the tuition fees, plus application fee will be required in advance for International Students.
2. An additional 25% of the tuition fees will be collected upon arrival and registration/general orientation at Freedom Air.
3. An additional 25% of the tuition fees will be collected once 50% of the program benefits have been delivered.
4. The balance of the tuition fees will be collected once 90% or more of the flight training program has been delivered.
5. Refunds will be based in progress and the amount of the training program completed. Any undelivered portion of the training program will be refunded at a 10% administration fee, unless it provides a means for the student to complete the program without any disadvantages, in which case a refund is not required.
